

Schedule an Appointment With Your Health Coach

Want to find a time for your Comprehensive Health Review or a Health Coaching visit?

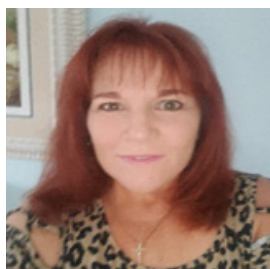

1. Click the orange **Schedule Appointment** button at the top of the home screen.
2. In the network drop down box, select **onsite** to schedule at the Tabor City clinic location. For all other locations, select **partnership**. You can then select your health coach from the provider drop down and choose an appointment time that works for you.

Be sure to schedule with the health coach for your location.

If you'd like days or times that don't appear, please reach out to your health coach by phone or email.
