

Easily Manage Your Health On the Go

Download the **Marathon Health mobile app** or visit the online member portal to register or log in: **my.marathon-health.com**

We make it convenient!

- Schedule and view your appointments
- Complete your Health Risk Assessment (HRA)*
- Message your care team securely
- Request medication refills
- View your health records
- Integrate your fitness tracker
- Track your company health and wellness incentives

*The HRA is a series of questions we ask that help our care teams better understand your overall health.
